

My name is David Cummins. I have attended Canyon Springs Church for the last 20 years. I currently serve on the Missions Board. In the past, I have been an Oasis High School leader as well as a Club 45 leader and been part of many CS mission trips, including Haiti, Guatemala, and Mexico.

I've been married to my amazing wife, Jessica, for 25 years, and we have four kids together: Ava, Ben, Levi, and CC.

I center my faith on the teachings of Jesus and strive to be a living example of Him through acts of love and faithfulness. I want to love my neighbor, serve others, and reflect God's love through my actions. I seek to honor my relationship with Jesus and the Father's love for me by living out Biblical teachings each day and by honoring Christ's sacrifice through how I live and love.

I want to invest in the future of Canyon Springs. Through the leadership of Pastor Jack, Pastor Chad, and now Pastor John, my family and I have been deeply blessed by this church. Canyon Springs has supported me through many seasons of my life, and I want to help ensure that future generations experience the same loving and welcoming community that has meant so much to us.
