

Hi my name is Hannah Harris! I've been attending Canyon Springs Church for about eight years. During that time, I've had the joy of serving in our youth ministry, helping with the worship band and mentoring my small group students for the past five years.

I'm a recent graduate of UC San Diego, where I studied Psychology and Cognitive Science, and I'm now working as a Post-Baccalaureate Researcher at UCSD.

My faith is rooted in serving others well and living out the love of Jesus in both word and action. I believe this generation is on fire for God and desires to use their influence to help others come to know Him. I felt called to apply for the Pastoral Search Committee because I care deeply about our church's future and want to help discern a leader who will shepherd our congregation with wisdom, humility, and a heart for God's people, while also valuing and investing in the next generation.
